

Dog Policy

We are dog owners ourselves so therefore dogs are very welcome in “Mr Bumble’s Barn and “The Tin Shed” - we know how enjoyable it is for your pet to share your holiday!

So that we can maintain a happy environment for both dogs and future guests we ask you to kindly adhere to the following terms:

- Dogs are not allowed on any furniture- unless protective covering is placed over the sofas & chairs.
- Dogs are not to be left alone in the cottage/home - unless they are confined to the kitchen area AND you are sure of their good behaviour (e.g. not destructive – or barking).
- Dogs are not allowed in the bedroom.
- The garden must be left clean on your pet’s departure.
- Please ensure your pet’s vaccinations, worming and flea treatments are up to date before arrival.
- You are welcome to walk your dogs on the farm but all dog litter must be picked up and placed in the bins provided.
- Please respect our animals. If any dog is found to be a nuisance to any animal you will be asked to leave with immediate effect.
- Maximum usually 3 however contact us to discuss if more.
- We reserve the right to invoice for any damage caused by your pet.
- Dogs must be kept on leads at all times whilst on the farm.

We will consider individual requirements so please contact us with any query

We provide stair gates to make it easy to restrict your pet to the kitchen area when required.

Please note that some of the local beaches have a “Blue Flag” beach status which restricts dogs from certain areas of the beach from 1st May to 30th September – however a large area of beach is still accessible to pets.

The surrounding villages are very “dog friendly” and most pubs will allow dogs on leads.

Thank-you for your co-operation, it is very much appreciated.
